**GREEN WASTE BINS  
FOR GREEN WASTE ONLY**

On several occasions, the Shire has noticed rubbish other than green waste going into the green waste bins that were located at several locations around the community.

The Green Waste bins are in place for green waste only, i.e. branches, trees and grass clippings. These bins are not for everyday rubbish for example mattresses, plastic bags, steel car doors or plastic drums.

The Shire has started to remove the green waste bins where such everyday waste has unacceptably been placed in them.

Fees and charges do not apply for disposal of non-commercial general domestic rubbish or green waste at the Christmas Island tip site.
