

Zaleha Aksan

My name is Zaleha Aksan and I am a proud resident of Christmas Island, raising two children on island with my husband. Currently in the role of Office Supervisor for Christmas Island, I am an integral part of the Legal Aid Western Australia team. In this role, I offer connection to advice on legal matters to the residents of Christmas and Cocos (Keeling) Islands; making me the ideal Shire Councillor as I have existing and positive relationships with the communities.

My passion to develop our beautiful Island on a variety of different levels is demonstrated through my role at Legal Aid and desire to join the Shire Council. It's rooted in a commitment to see development for the next generation of Islanders.

I believe initiatives are important on all levels; small or big, they all contribute to ongoing improvement of our unique island.
