CANCELLATION OF TERRITORY WEEK COVE DAY ACTIVITIES

Due to the COVID-19 constraints on community activities that require strict adherence to social distancing and contact tracing at large public events and recognising the difficulties in applying those measures at an event like Cove Day, Council passed the following resolution at the Ordinary Meeting of Council held 25 August 2020.

“That the community be advised by Public Notice that Territory Week Cove Day will not be held this year due to COVID19 restrictions.”

While the Shire recognises this decision will be a disappointment to many Christmas Island residents, it is done in the interest to keep us all safe during this time of COVID-19.

The Shire looks forward to the 2021 Cove Day activities when we can all possibly celebrate and enjoy that day together as a community in a post COVID-19 environment.
