

Candidate Profile

David Watchorn

Christmas Island is my home.

I am a Director of a Marine Tourism business, as well as working in healthcare part time, assisting our seniors, disabled & many other residents with their needs.

Having been a candidate for the last two local elections I am committed to represent some of your views within the community at the Shire council.

It is important to have a good understanding of the intricacies of Christmas Islands complex governance, our diverse communities needs, while protecting our unique environment, local economy and running businesses here.

My goal is to ensure that all are heard within the council chambers. As a councillor, I will strive to ensure you are. I will speak up for you.

Be it Roads, Rates, Repairs, Spending & Savings, or Chickens.

Local government should represent all people across the community and I would like the opportunity to do this.

My contact details are 10B Rocky Point Crescent, Christmas Island
Telephone 0467 670 449
