

SHIRE OF CHRISTMAS ISLAND COMMUNITY NOTICE

10 September 2021

Opening of the Foreshore Padang Toilets and BBQs

The Shire is pleased to announce the new toilets at the Foreshore Padang are now open and the two BBQs are also open for use. One of the BBQs is for Halal only cooking and we would ask the community to respect that.

The BBQs are as with all the facilities in the Foreshore Padang free of charge and on a first come first served basis.

Usage reservation bookings can only be made through the Shire, reservations via Facebook notification without prior approval will not be permitted.

David Price
Chief Executive Officer
