Unrestrained Loads

The Shire of Christmas Island wish to advise the Residents

Unrestrained loads can increase the risk of vehicle rollover and load spillage. Risk the life of the driver and other road users. People and load falls: An **unsecured load** shifts inside the trailer is more difficult to unload and the load may have to be unloaded manually.

The Shire encourages residents to secure all loads with ratch straps and/or trailer netting. Fines can be issued if any debris leaves the Truck or Trailer when the vehicle is in motion.

For further information please contact the Works, Services and Wastes Manager, Mr Graeme Hedditch on 91648300 (ext.230) or 0439 215 306.
