

Community Notice - Shire Email Outage

9th February 2021

The Shire has experienced a computer server outage that has affected our ability to receive and send emails.

We have obtained a new replacement server from Singapore which is expected on Friday's freighter. The Shire expects to have all our systems including emails operational from Monday 22nd February.

All contact with the Shire in the interim should be in person or by:

Phone (08) 91648300

Fax (08) 91648304

Post - PO Box 863, Christmas Island, WA 6798

The Shire's web page at www.shire.gov.cx will continue to have available all updated Public and Community Notices and each edition of the Islander. Documents that are usually emailed to staff need to be given on a USB if able.

The Shire apologises for any inconvenience and thanks the community for their support and understanding.

A handwritten signature in blue ink, appearing to read "David Price", is written over a light blue circular watermark.

David Price

Chief Executive Officer
