Lily Beach Upgrade Proposal

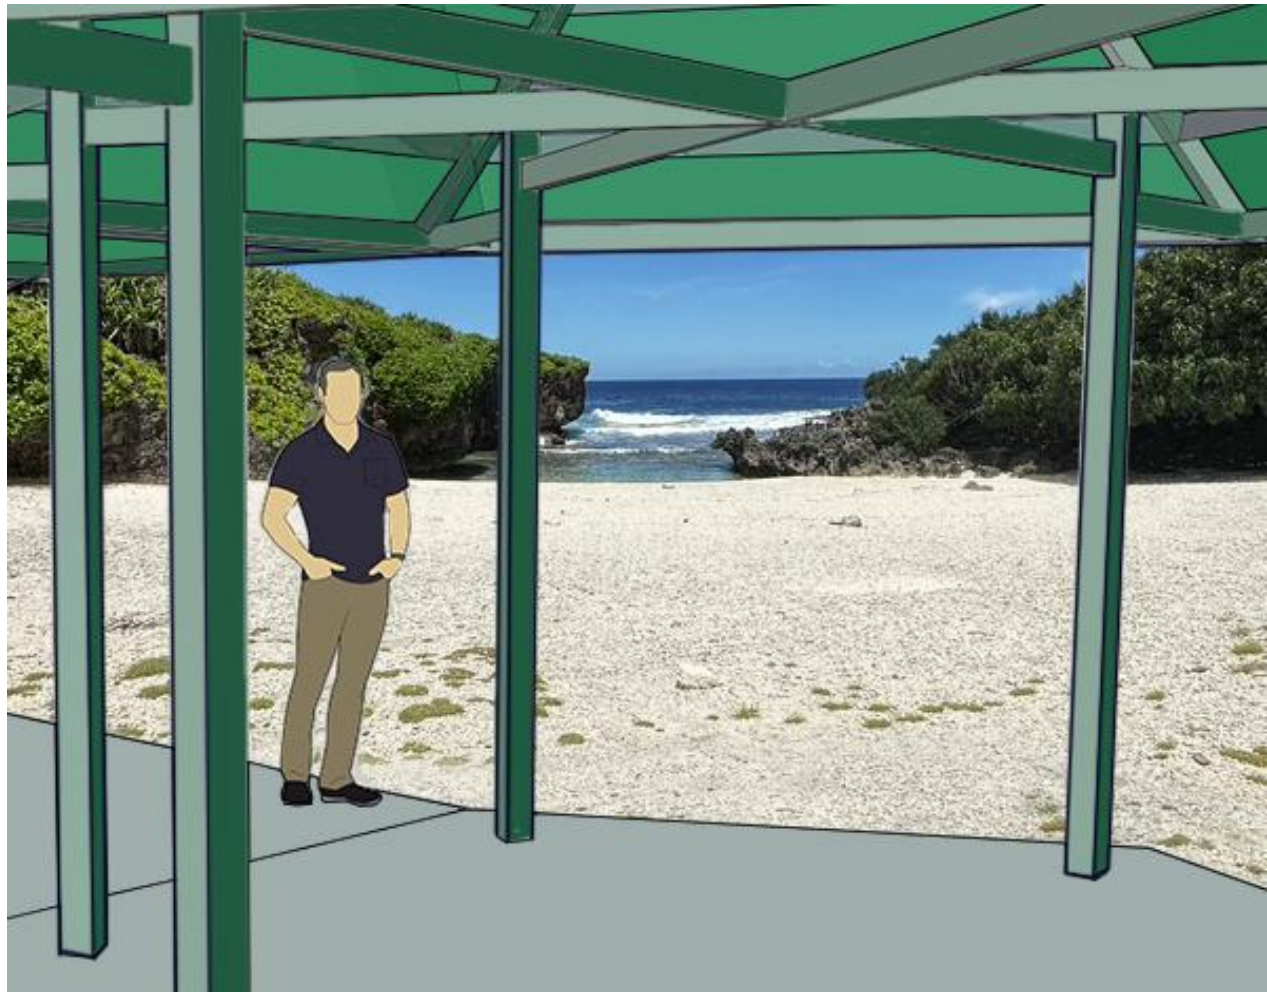

The Shire of Christmas Island is planning for the 23/24 budget to upgrade the Lily Beach precinct, and is seeking public comment and suggestions on the proposed draft upgrade as represented below.

Please note:

- The proposed BBQ are wood fired as there is no power to the Lily Beach precinct and Gas is not considered a safe viable option.
- This Draft Plan does not include the boardwalk as that is a further project following the Lily Beach upgrade.

Comments and suggestions on the proposed draft upgrade should be forward to the CEO at Shire.ceo@shire.gov.cx by the 4pm 12th May 2023

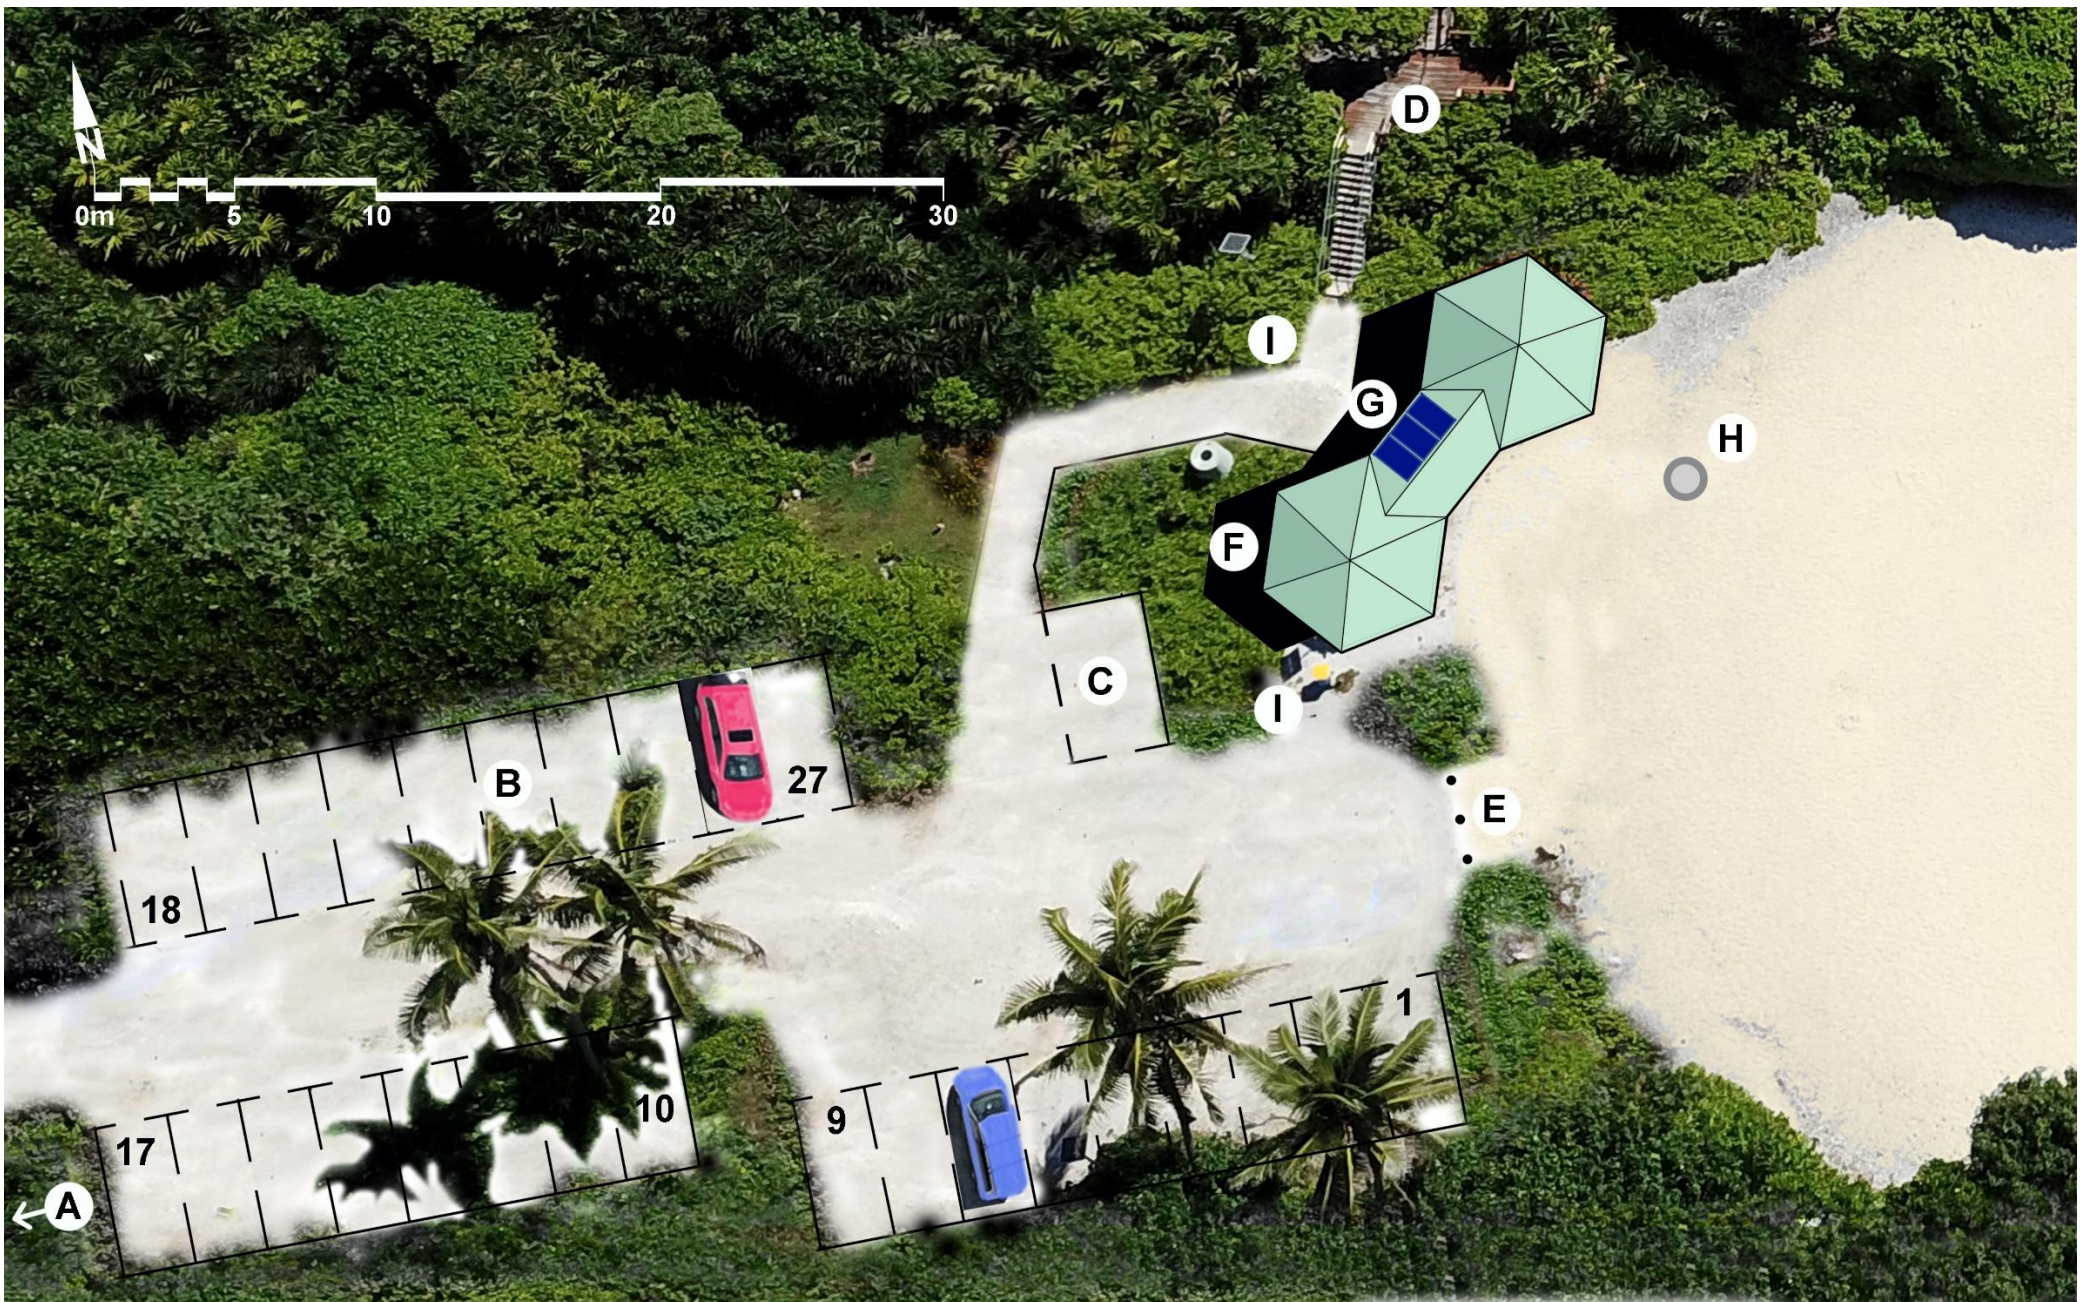

David Price
