

**SHIRE OF CHRISTMAS ISLAND  
PUBLIC NOTICE**

---

**10/20**

**27 March 2020**

---

**TEMPORARY CLOSURE OF POON SAAN COMMUNITY HALL,  
SENIOR CENTRE & PUBLIC LIBRARY**

**Poon Saan Community Hall & Senior Centre**

The Poon Saan Community Hall & Senior Centre will be temporarily closed until further notice in accordance with the Prime Ministers announcement on Tuesday evening regarding the closure of Community Centres.

The health of the community and Shire employees is paramount and we appreciate your patience understanding during this time.

**Public Library**

The Shire of Christmas Island would also like to advise all Public Library users that the library is currently closed for an indefinite period of time.

The closure is at short notice but is in line with current Australia-wide guidelines regarding social distancing during the worldwide COVID-19 pandemic and the current Prime Minister's announcement.

We wish to advise that the loan period for all items currently out on loan will be extended at this stage – there is no need to return or renew these. However, should you wish to return items, you can do so via the returns chute. Upon return to the library, items will be isolated for a period of time for hygiene and safety purposes. There will be no fines incurred for overdue items.

Stay safe and take care of one another. We look forward to seeing you all when the library re-opens.

The Shire will inform the Community of any changes in the status of the Poon Saan Community Hall and the Public Library.

David Price  
**Chief Executive Officer**
